Cheese Selections

This Christmas we've designed two cheese selections and highlighted a few cheeses from our shop we know will light up your holiday like a Christmas tree!

You can also 'Create Your Own Selection' of cheeses. Check out our Cheese Guide opposite to choose your favourite, or come into the Farm Shop to see our full range.

We recommend at least 100g of cheese per person, though if you're like us, there's no such thing as too much cheese!

We can also recommend pregnancy friendly, vegetarian friendly, and allergen friendly cheese selections. Just ask our Farm Shop team for help!

For prices and ordering, see the Festive Order Form on the back of this brochure & return to staff in the Farm Shop.

THE YORKSHIRE SELECTION

Look no further than Yorkshire for the best artisan cheese the UK has to offer! Leeds Blue and Pecorino Fresco are made less than 5 miles from our farm shop by Yorkshire Pecorino. These cheeses are so good, the royal patron of our charity, Sophie (Duchess of Edinburgh), took a chunk of Pecorino Fresco home after her most recent visit to the farm!

THE MISTLETOE SELECTION

This selection features Alp Blossom and Cornish Yarg, two cheeses that are beautifully wrapped in plants, along with our best-selling cheese, Leeds Blue, plus Kirkham's Lancashire, voted the 'Best Cow Cheese' at the 2023 Artisan Cheese Awards. These cheeses are so good, you'll want to kiss whoever picked them out!

CREATE YOUR OWN SELECTION

If the above selections don't have you rockin around the Christmas cheese, create your own with help from our Farm Shop team.

Your Cheese Guide

LEEDS BLUE

Made by our friends at Yorkshire Pecorino in Otley less than 5 miles from Crag House Farm and collected straight from the source, this is our best-selling cheese. This beautifully rich and creamy blue is full of flavour but not too strong for those just venturing into the world of blue cheese. Multi award-winning including Gold at both the World Cheese Awards and Artisan Cheese Awards.

PECORINO FRESCO

Also made by Yorkshire Pecorino, this delicious sheep's milk cheese is matured for 30 days to produce the most perfect creamy soft texture and fresh flavours. We particularly love having this cheese with a drizzle of honey and a toasted walnut. Multi-award winning including Super Gold at World Cheese Awards.

KIRKHAMS LANCASHIRE

This is how traditional Lancashire is meant to be made and taste, with no shortcuts! It takes curd from 2 days of cheesemaking to produce this beauty which won "Best Cow's Cheese" at the 2023 Artisan Cheese Awards. For those who enjoy a piece of cheese with their Christmas cake, many cheesemongers (even Yorkshire's own Courtyard Dairy) suggest Kirkham's Lancashire over Wensleydale.

ALPBLOSSOM

An alpine cheese similar to gruyere covered in colourful herbs and flowers from the Bavarian mountain meadow pastures the cows graze on during the spring and summer. This cheese is better than any words can describe, with a taste as beautiful as the cheese looks.

YOREDLE

Made by Curlew Dairy, this is one of the only raw milk Wensleydales made in the UK. This clothbound cheese is a beautiful example of what traditional Wensleydale should be: smooth, rich and buttery. Yoredale is actually the ancient name for Wensleydale, which strongly reflects the roots and heritage of this cheese.

CORNISH YARG

A deliciously fresh cheese wrapped in edible nettle leaves that has tasting notes of lemon and yoghurt. The recipe for this cheese was found in cheesemaker Alan Gray's attic. Spell his surname backwards to see how the cheese got its unusual name! This cheese has previously been crowned Supreme Champion at the World Cheese Awards, the highest of honours in the world of cheese.

BARNCLIFFE BRIE

This is one of the very few brie-style cheeses made within Yorkshire. Handcrafted by artisan cheesemaker Ruth using milk from a herd of Meuse-Rhine-Issel cattle which graze 5 minutes from her dairy in the village of Shelley.

MAKING A DIFFERENCE

Did You Know...

When you support Crag House Farm, the profits go towards helping vulnerable and at-risk adults across Leeds, through the work of the Christian charity Caring For Life.

The charity provides housing support in the community, two supported living homes for ladies and gentlemen with complex needs, as well as a programme of ten therapeutic and work experience based daytime activities here at the farm in areas like Agriculture, Conservation and Woodwork.

Christmas can be especially challenging for isolated, vulnerable people on the margins of society, who have often suffered so much, but at Caring For Life we seek to change that by bringing some light and relief into the darkness and struggle. We are so grateful for your support that enables us to do this.

Last year throughout December we held all manner of Christmas events and lunches for those in our care. We hosted a special children's Christmas party at a soft play centre

for the families we support. We gave out 110 luxury Christmas hampers to individuals and families in need as well as providing countless gifts of chocolates, toiletries and personalised gifts to all our beneficiaries. Around 250 adults in total.

Then on Christmas Day itself we hosted 40 vulnerable adults for a full turkey dinner in the Granary Restaurant at Crag House Farm.

Thank you again for your wonderful support that is helping us to shine the light and hope of Christmas into the lives of struggling and hurting people.
